

Family Swim

Saturdays and Sundays | 3 - 5 p.m.

Members may bring their children and grandchildren, ages 13 years and younger, to Family Swim on Saturdays and Sundays. Lifeguards will limit attendance when necessary to ensure the safety of all participants.

FAMILY SWIM RULES

An adult member must accompany children in the water (not on the deck) at all times.

Children are not permitted in lanes designated for lap swimmers during Family Swim time.

There is a limit of two children per member, and children must be under the age of 13.

All members must sign their children in at the reception desk and complete a waiver for each participating child.

Children must be toilet trained or wear waterproof diapers, with a plastic pant over top. If you need to change your child's waterproof diaper, please do so using the Family Changes rooms. Members are not permitted to change diapers on the pool deck.

Food, beverages, and chewing gum are not permitted in the pool area, with the exception of water in plastic bottles. Please remember to dispose of any water bottles upon exiting the pool area.

Children must be accompanied by a parent/grandparent into the same gender-specific Locker Room with which they identify or utilize the Family Change rooms.

Running, jumping, diving, splashing, and horseplay are prohibited.

Noodles are the only equipment permitted during family swim.

Children under the age of 16 are not permitted in or around the spa pool for any reason.

Facility staff reserve the right to eject and suspend any person from the center for violation of facility rules or for any other action detrimental to the safe and orderly operation of the facility. Facility staff are not responsible for lost or stolen articles. Lockers are made available for your security and convenience. Remember to bring your own lock for a locker—locks are not provided. Locks can be purchased at the Reception Desk. Facility may close at any time without warning due to water quality or weather conditions.
